

Do you care?

Become an *I Care...Ambassador* and inspire others to work in care

*I care...
Ambassadors*

If you enjoy what you do, why not tell other people about it?

I Care...Ambassadors are a national team of care workers who visit schools, colleges and Jobcentres to talk about what it's really like to work in care. They provide a range of careers activities to explain the different roles and opportunities.

Becoming an *I Care...Ambassador* is a great way to:

- share your passion for your work
- develop your skills and confidence
- help find the right people to work in care.
